I understand and will comply with Rim Country Health & Retirement's supervised smoking policy. Smoking is supervised by Rim Country's staff at the scheduled smoking times:

9:30 AM

1:00 PM

4:00 PM

8:00 PM

I also understand that my cigarettes and lighter/matches will be stored in a secured place and accessible to me during these breaks. I must return the cigarettes and lighting materials to be stored again after the break. Smoking breaks last about 15-20 minutes.
