

The safety & health of our Residents and Team Members is always our highest priority.

Here's what we are doing to prevent and manage the spread of COVID-19 within

Rim Country Health & Rehabilitation

- Temperature and Symptom Screenings
- Taking Proper Safety Measures
- PPE and Medical Supplies
- Strict Hand Hygiene... and, availability of Hand Sanitizer in all resident and team member areas
- Proper Social Distancing
- Providing Continued Testing, Infection Control and Maintaining Quality Measures.
- Communicating with our Residents, Team & Community.

Together. Whatever it takes!
